DHYEYA IAS : AN INTRODUCTION

Dhyeya IAS, a decade old institution, was founded by **Mr. Vinay Singh** and **Mr. Q. H. Khan**. Ever since its emergence it has unparalleled track record of success. Today, it stands tall among the reputed institutes providing coaching for Civil Services Examination (CSE). The institute has been very successful in making potential aspirants realize their dreams which is evident from the success stories of the previous years.

Quite a large number of students who desire of building a career for themselves are absolutely ill equipped for the fairly tough competitive tests they have to appear in. Several others, who have a brilliant academic record, do not know that competitive exams are vastly different from academic examination and call for a systematic and scientifically planned guidance by a team of experts. Here one single move may invariably put one ahead of many others who lag behind. Dhyeya IAS is manned by qualified & experienced faculty besides especially designed study material that helps the students in achieving the desired goal.

Civil Services Exam requires knowledge base of specified subjects. Classes at Dhyeya IAS are different from classes conducted in schools and colleges with respect to their orientation and approach. Classroom guidance at Dhyeya IAS is about improving the individual's capacity to focus, learn and innovate as we are comfortably aware of the fact that you can't teach a person anything, you can only help him find it within himself.

DIRECTOR'S MESSAGE

Mr. Vinay Kumar Singh

The guiding philosophy of the institute, throughout, has been creation of knowledge base. Dhyeya IAS inculcates human values and professional ethics in the students, which help them make decisions that are good not only for them, but also for the society, for the nation, and for the world as a whole. To fulfil its mission in new and powerful ways, each student is motivated to strive towards achieving excellence in every endeavor. It is done by making continuous improvements in curricula and pedagogical tools.

The rigorous syllabi not only instil in them, a passion for knowledge but also attempts to teach them how to apply that knowledge in real-life situations. The programmes lay emphasis on well-rounded personality development of the students and also inculcate the values of honesty and integrity in them.

Yours very truly,

Vinay Kumar Singh

EXPLAIN:

Key to succeed in the UPSC civil services exam is to have strong basics and absolute conceptual clarity. Our faculty will 'EXPLAIN' the most complex concepts in a lucid way so that any fresher can understand and use these concepts while solving questions of Prelims and Mains.

QUEST:

Every class lecture is accompanied by a small test-which we call as QUEST – that seeks to test your knowledge and skills both. These tests will help bring discipline and seriousness in your exam preparation.

UNDERSTAND:

Post-Quest, discussions are conducted that further helps you to understand how the concepts that you have learned as part of the 'EXPLAIN' component needs to be applied and remembered from exam point of view. The faculty will extensively use previous year questions and their own set of questions to illustrate how your must align exam preparation to prepare smartly without stress. This is 'UNDERSTAND', the U-component of EQUIP.

INTERACT:

Lectures with interactive discussions enhance the quality of learning and also helps in inculcation of more ideas as every student could contribute. This 'INTERACTION' component will be facilitated at the end of each lecture where you can clear your doubts and contribute your own ideas too.

PERFORM:

Weekly Prelims tests, fortnightly Mains tests and comprehensive Prelims & Mains test upon completion of every subject are conducted for you to finally 'PERFORM', enabling you to be at your competitive best to ace the IAS examination. These tests will help you revise and test knowledge and skills that you have acquired through classes and self-study.

EMOTIONAL QUOTIENT:

Finally EQ (EQuip) also matters. Without a strong Emotional Quotient, you cannot sustain the long audacious journey of civil service preparation. Moreover you cannot perform well in interview round of civil service examination. Keeping this in mind, our mentorship program offers you the much needed emotional support in addition to academic support.
